

Gentle Cesarean section with the husband's presence

August, 2017

About 430 babies per year were born in our hospital and 18% of them were CS. Now, half of the CS doing in our hospital is “CS with the husband's presence”.

Subjects : Pregnant women who need CS and wish the presence of husband in operating room (OR).

Purposes :

- 1: Let's sharing the happiness of childbirth.
- 2: Let's providing mental support to wife.
- 3: In the event of problems, the situation will be explained.

Schedules :

- After check your wish, obstetrician will determine the adaptation.
 - A midwife will explain the flow of “CS with the husband's presence”
 - After preparation, a midwife will guide the husband into OR.
 - Bringing a camera into OR is allowed.
 - After childbirth, the husband and baby leave the OR.
- ❖ In abnormal case, a pediatrician will attend the CS.
- ❖ In the event of problems, the husband may have to leave the OR.
